

As a client / customer of All Cats PDX, I agree:

To hold All Cats PDX and any of its representatives (Independent Contractors) harmless (not liable) if anyone, other than All Cats PDX or its representatives, enters my home and property while All Cats PDX are charged with caring for my pets and home during my absence (travel).

No-one is to enter my home or property while I and my family are away. IF I am having a **licensed contractor** of any kind (maid service, repair / handy man / electrician, etc. contractor) enter the home: I will have notify both my sitter (if not Ariane Holzhauer) and Ariane Holzhauer, as owner of All Cats PDX: who is coming, what time and date they will be at the home, for what purpose and for how long, and will still also release All Cats PDX from any liability for loss.

I understand that having another person enter the home opens up the possibility of accident, theft, loss, damage (of home and belongings), injury and/or death of the pets or any combination of the above.

I release All Cats PDX and its representatives from any claims, losses, damages, expenses, legal fees and costs of any kind or amount whatsoever, which result from or arise out of any act conducted or performed, whether intentionally or not, by/from anyone who enters my home.

I understand that my Legal Agreement with All Cats PDX, which I signed when I was accepted as a "client"; can be terminated at any time if I allow anyone, other than All Cats PDX, entry to my home and property during an agreed service period for in-home petsitting by All Cats PDX.

I understand that if anyone other than All Cats PDX representatives enter my home for any reason and I have not notified All Cats PDX, the care for my pets (and home and belongings) may stop immediately and I will need to make other arrangements for pet care. I understand that I may forfeit deposits and fees paid for scheduled services.
